Capri

Quality...Innovation...Craftsmanship
from Generation to Generation.

For nearly 50 years, Capri has understood the importance of preserving precious memories and maintaining a tradition of excellence.

That's why professional photographers worldwide entrust their images, and their customer's special memories, to Capri.

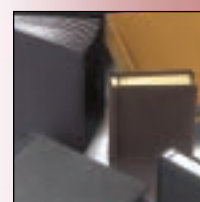

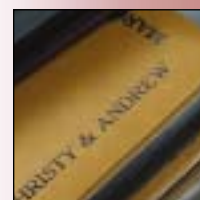

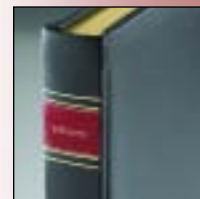

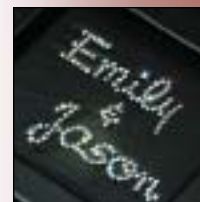

Capri albums and folios are:

- Handcrafted by skilled and highly experienced artisans
- Made from the finest quality materials
- Designed to preserve memories for generations
- Innovative in design
- Customizable
- Backed by committed customer service

A wide variety of choices and options offer the ability to create the perfect product for every occasion. The possibilities are virtually limitless and ensure the creation of an album that will reflect the uniqueness of each of your customers.

From the traditional beauty of an elegant reversible mounted album, to the contemporary styling of the modern image book, to the ease and simplicity of a slip-in album, with Capri, your images are always showcased in something beautiful and lasting. Designed to withstand the test of time, a Capri album or folio remains a reflection of life's most special moments.

Whether preserving the classic style of yesteryear or setting the newest trends, we have maintained an incomparable level of excellence that will support your vision for many years to come.

The Mounted Metro Book

Sleek and unquestionably contemporary, the Capri Mounted Metro Book highlights images with incomparable style. Uniting the versatility of our Mounted Reversible Book with the innovative design of a rectangular format, it features the urban sophistication of all black pages, a slimmer design and an ability to accommodate a wide variety of mat options.

With the Mounted Metro Book, you can create an elegant and ultra-fashionable album with features such as:

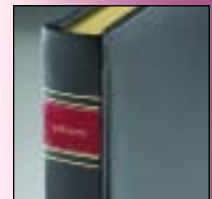

- A rectangular shape which can be designed in either a horizontal or vertical format
- A range of unique leather and specialty cover options
- Striking all-black pages accentuated by elegant liners
- Finely gilded pages
- An ability to accommodate multiple prints in traditional and non-traditional sizes

The Modern Image Book

T

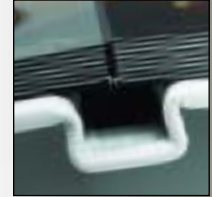

The ultimate new look in album design, the Capri Mounted Modern Image Book is the essence of modern style, perfectly suited for both digital and film. Classic yet distinctly contemporary, it features unique crisp, invisible hinges and fashionable square corners. An undeniably innovative image presentation, the Mounted Modern Image Book tells a photographic story worthy of your most stylish images.

Your customers will truly appreciate the assortment of additional options enabling them to personalize this “coffee table style book” including:

- Traditional, non-traditional, as well as custom sizes
- Unique invisible hinges
- Rectangular prints that can be vertically or horizontally bound
- Contemporary square corners
- Innovative hard cover design for the appearance of a true art book
